THE ADYTUM 1952

DENISON UNIVERSITY • GRANVILLE, OHIO

THE ADYTUM • 1952

"Trials of an Editor" is the theme of the 1952 Adytum. The montage at left shows technical processes in publishing a yearbook. The process by which editors get bald is demonstrated by the little man above.

A DEDICATION

Livy takes a few practice swings before going to the Granville golf course.

The Adytum staff is proud to dedicate the 1952 Denison Adytum to Walter J. Livingston who this year completes forty-five years of service to the university as player, coach, and athletic director. Walter Livingston is known as "Livy," and to Denisonians everywhere that name signifies a tradition—a tradition of loyalty and service to Denison. During his four years as a student Livy won each varsity letter which was offered by playing every minute of every game. He coached the football, basketball, baseball, and track teams for many years and was an Olympic track coach in 1936. The highpoint of Livy's career came in 1937 when he was elected president of the American Collegiate Physical Education Association. The retirement of Livy after forty-one years as athletic director ends an era in the history of athletics at Denison. During this period Denison has developed an outstanding athletic plant. Much credit for this growth can be given to that grand man of Denison, Walter J. Livingston.

SPRINGTIME ALONG CHAPEL WALK

Chapel Walk in the spring becomes one of the most beautiful spots on a campus well known for its beauty. Flowering trees are backdrops in this campus scene.

VENERABLE TALBOT HALL

Talbot Hall, built in 1871, is the oldest building on the Denison hill. Dorms for men occupy the top two floors, with the remainder devoted to classrooms and offices.

THOSE EIGHT O'CLOCK CLASSES!

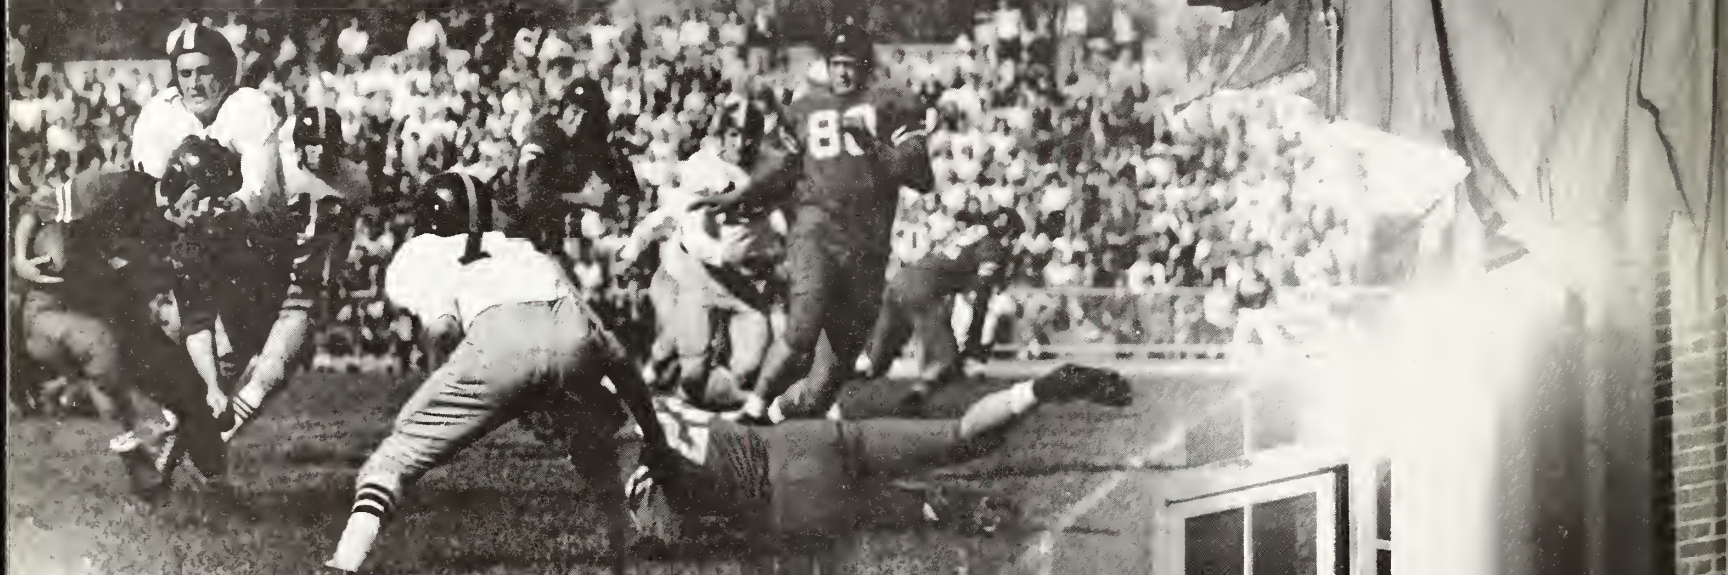

Some students allege that eight o'clock classes are the bane of college life. But the early morning walk to Cleveland Hall can't be so unpleasant for these students.

THE DENISON QUAD

Six academic buildings border on the Quadrangle. Doane Library on the west end of the "Quad" is shown here during the period between classes.

THE SOCIAL SIDE

Formal dances highlight the social programs of each of the nine fraternities at Denison. These happy couples seem well on their way to dream-land as they dance at Christmastime.

The sororities also hold formal dances. But all is not play. Here the girls are hard at work decorating their house.

As school opens in the fall, the thing uppermost in the minds of fraternity men is rush weekend and pledging.

MEMORABLE MOMENTS

Even dogs enjoy taking it easy between classes on the steps of Life Science Building.

COLLEGE ISN'T ALL CLASS WORK

Fraternities at Denison are aware that they have a responsibility to make pledge training a constructive character building force. Consequently helpful work is being substituted for the hazing of years gone by. Here a group of Kappa Sigs are shown doing their pre-initiation toil at the Licking County Children's Home in Newark, Ohio.

The Student Union in Cleveland Hall is strictly for relaxation.

STUDENTS "TAKE A BREAK" IN THE UNION

The Union serves a vital function at Denison. Students stop in many times during the course of the day—for breakfast, for a snack between classes, or just for a little relaxation watching television. In the evening, the Union is a popular place for couples to stop. There is always dancing to the music of the juke box and bridge playing or ping-pong.

Open arms and happy screams greet freshman women as they end the long weeks of rushing.

SORORITY PLEDGING STARTS

One of the first and most enjoyable official acts done by Dr. A. Blair Knapp as the fourteenth president of Denison University was the crowning of Miss Louise Davis as Homecoming Queen during halftime ceremonies at the football game. Here Dr. Knapp congratulates "L.D." just after her coronation.

First prize winning Lambda Chi float is above.
Below, Pres McCoy reads the Senior Will.

THE YEAR WHILE SENIOR WILL MARKS THE END

Alumni are honored by the school and student body every fall on Homecoming Weekend. The Homecoming Parade features brass bands and fraternity floats. Revolt Day is a special holiday for the seniors just before spring Comprehensive Exams. Reading of the humorous Senior Will on the steps of "The Corner" restaurant is traditional.

FRATERNITY HOUSEPARTIES PROVIDE SPRINGTIME

A South Pacific atmosphere prevails at Fiji Island Weekend, as a variety of costumes add glitter to the Sig Bldy Bucket.

Fraternity weekend houseparties rank as some of the biggest events on the Denison social calendar. Most fraternities recall the successful parties of past years by using a theme which has become traditional with that social group.

BOOST TO DENISON SOCIAL LIFE

French Apache dancers brighten Lambda Chi Dive Party, while the Kappa Sigs and their dates sit one out at a formal dance.

Dale Wolfe bemoans service induction; while chorus girls describe the terrible prospect of a male-less campus.

STUDENT REVUE CAPS BONDS OF FRIENDSHIP DRIVE

Tri-Deltas take first prize with skit

Bonds of Friendship is the single big charity drive held each year on campus. The name of the campaign is taken from the little engraved bond certificates which are given to each donor in recognition of his contribution. Organizations which share Bonds of Friendship funds include: the American Red Cross, CARE, the World Student Service Fund, and the college's own Foreign Student Scholarship Fund. The Bonds of Friendship student revue pictured on these pages annually tops the drive. Proceeds from the revue go into the fund. More than \$5300 was collected in 1952. The single drive approach brings better results than the usual "two-bits for each charity" method.

POLITICS ARE FUN AT MOCK CONVENTION

The bevy of athletes at left belongs to Theta Eta Chi, senior men's social organization. According to its members, a bid to this group is the peak of attainment at Denison. From time to time, Theta Eta Chi challenges the faculty to manly competition on the field of athletic endeavor. At the close of the year, Theta Eta Chi's record stood at one win in basketball and one loss in baseball. The purpose of Theta Eta Chi is to encourage stronger interfraternity relationships. This precept is carried out vigorously at every meeting.

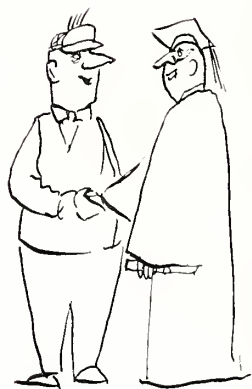

Professor Dean crowns Queen of May

MOTHER'S DAY WEEKEND

Traditionally, Mother's Day at Denison is synonymous with May Day. Students invite their moms to a weekend of events honoring them. Dinners, a play, and the coronation of the May Queen are features of the celebration. Lynn Olwin was elected by the men of the student body to rule this year. Highlights of the coronation were music from the orchestra and both glee clubs, dancing by Orchesis, and a Maypole Dance by the children of Granville.

END TO FOUR YEARS OF COLLEGE

Culmination of four years of hard work is Commencement. A half-glad and half-sad feeling is experienced by most of the seniors. Speaker at Graduation this year was Dr. Charles Habib Malik, chief delegate to the United Nations from Lebanon. Dr. Malik has become an important figure in the United Nations through his intelligent and sincere efforts to aid in the crusade for world peace. Nations on both sides of the "Iron Curtain" applauded his work.

THE 1952 ADYTUM QUEEN

Dean Martin and Jerry Lewis, popular comedians of screen and television, were elected by the Adytum Board of Editors to act as judges in the 1952 Adytum Queen Contest. They enthusiastically agreed to do the job. Each sorority and the independent women elected a candidate, who submitted a photograph of herself. These pictures were sent to California for perusal by the funnymen. Editor Jerry Harris received the letter at the right a few days later. Queen Wanda Thomas was the winner. Results were announced in the next Denisonian.

Dear Editor and Students of Denison University:

We thank you for the privilege of allowing us to select the Adytum Queen.

It was a very difficult job to choose only one queen with ten such beautiful candidates. After much deliberation we selected Wanda Thomas to be the Adytum Queen. Do convey our congratulations to Wanda and our sincere best regards to the other girls.

Good luck and best wishes.

Sincerely,

Dean Martin & Jerry Lewis

Mrs. A. Blair Knapp helps her husband don academic regalia for inauguration as fourteenth president of Denison.

Representatives of more than two hundred colleges and universities were present at Dr. Knapp's inauguration

INAUGURATION DAY

Announcement of the appointment of Dr. A. Blair Knapp as Denison's fourteenth president came in June of 1951. He took over the duties of president on September 1 of that year.

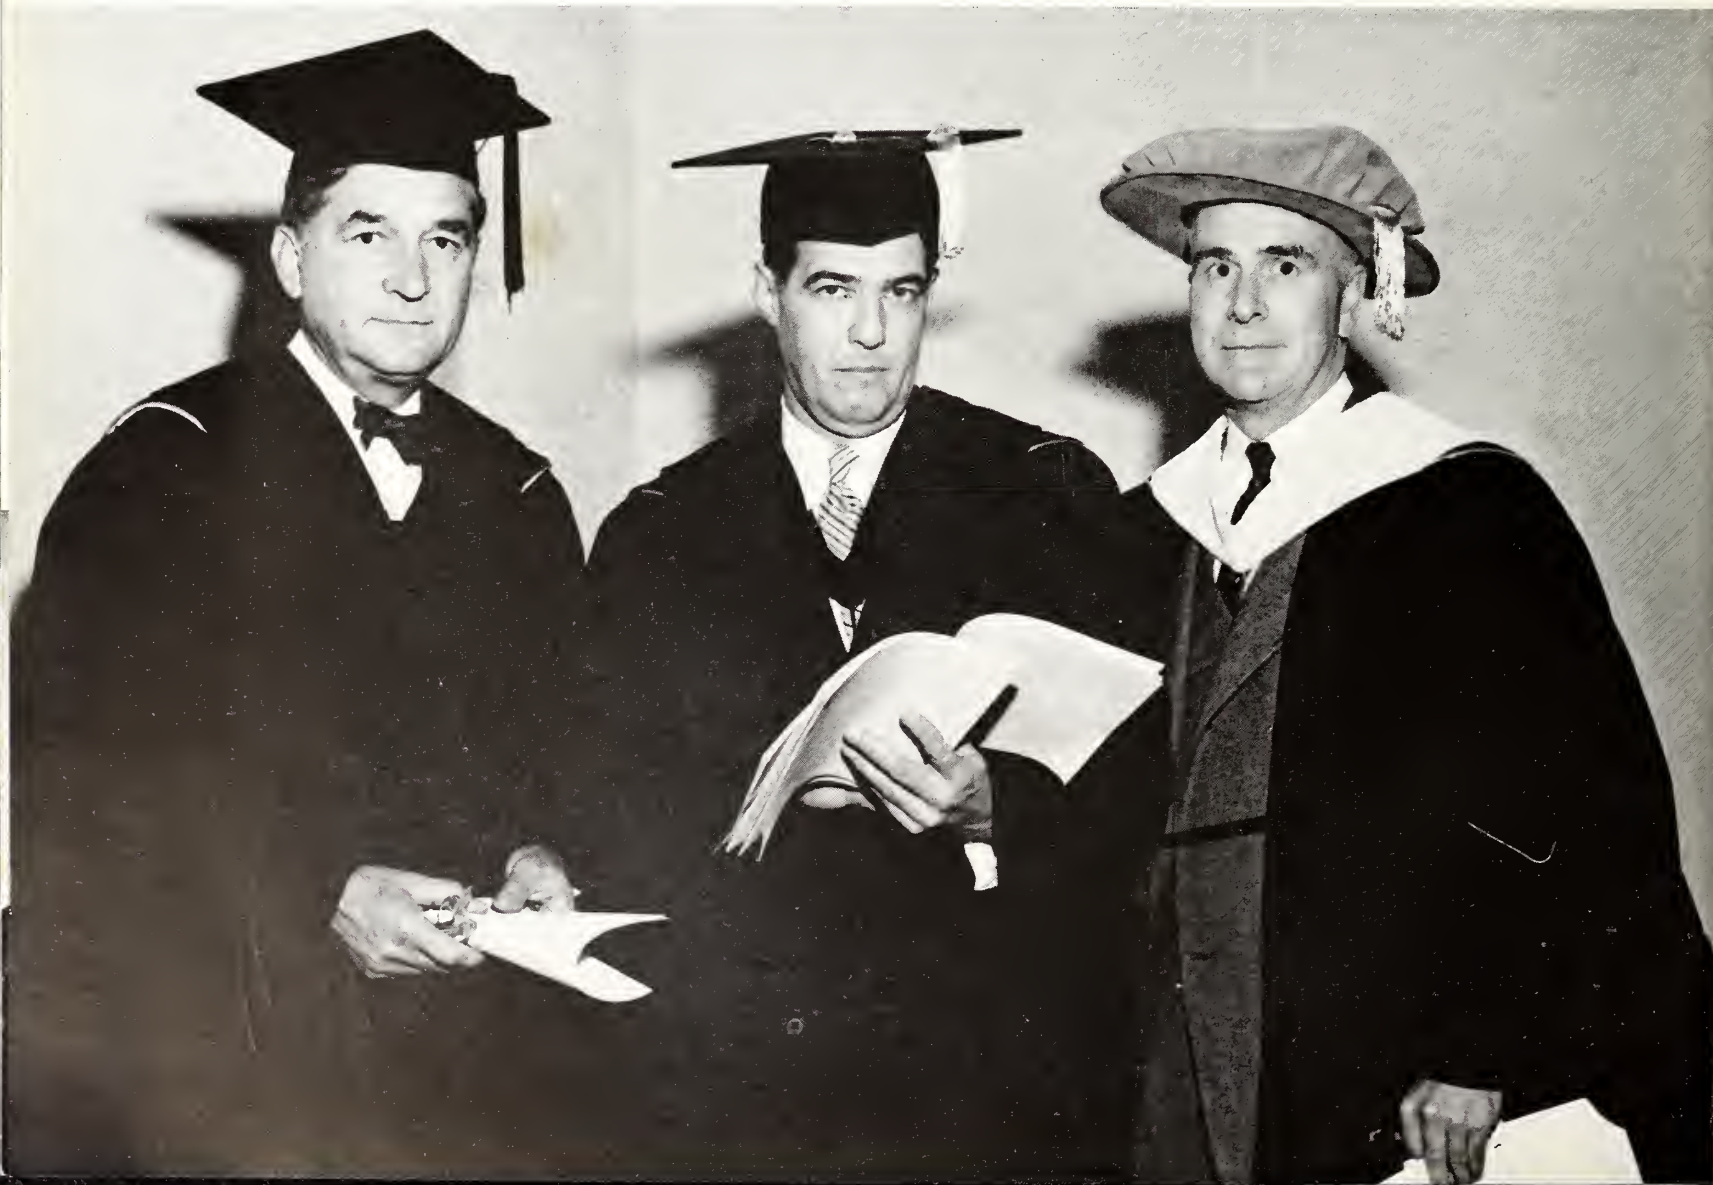

Actual inauguration of Dr. Knapp did not take place until October 12, 1951, so that alumni, students and friends of Denison could all participate.

One of the biggest weekends in the history of Denison was planned. Not only was Inauguration scheduled, but "D-Day" and Homecoming Weekend were also proclaimed for the benefit of students and alumni.

At the end of Inauguration Day, Dr. Knapp announced the appointment of Dean Cyril F. Richards as vice-president of Denison.

Mr. William P. Huffman, chairman of the Denison Board of Trustees, introduces Dr. Knapp at the inaugural ceremonies.

Three central figures in the Inauguration: Governor Lausche, Dr. Knapp and Chancellor Tolley of Syracuse University.

DR. A. BLAIR KNAPP, A.B., M.A., LL.D., L.H.D.

Before coming to Denison, Dr. A. Blair Knapp had carved an impressive career in education, business and wartime military service.

An honor graduate of Syracuse University in 1925, Dr. Knapp also became a member of Phi Beta Kappa scholastic honorary and Psi Upsilon social fraternity while at Syracuse. He then spent six years in New York working in the field of sales and advertising.

Appointed to the position of dean of men at Syracuse in 1935, Dr. Knapp served there until June of 1943 when he enlisted in the U.S. Army Air Forces. When

he was separated in December 1945, Major Knapp was deputy commander for personnel of the Atlantic coastal area.

He served as dean of students at Temple University, Philadelphia, Pennsylvania until 1949 when he was made a vice-president of the university. Temple conferred an honorary doctor of laws degree upon him in June of 1951.

The Denison Board of Trustees appointed Dr. Knapp to the office of president after a year's extensive search for the right man to fill the job.

Popular college deans are all too rare—but not at Denison. The three deans have won the admiration of the students by their sincere interest and friendliness.

Dean Richards will be long remembered for his able job as Acting President last year. Dean Brooks and Dean Bayley are known for their fairness and tact to all.

CAMPUS MAGAZINE

magazine. To this extent CAMPUS has been quite successful.

CAMPUS is published quarterly and contains a balance of literary, photographic, humorous, and feature articles. The editors this year have attempted to give Denison a magazine of which she might be proud.

Although the publication covers a broad scope, they have been ever mindful that the student body constitutes the bulk of our readers and have directed our efforts towards publishing a magazine that would first of all please that group.

Many of the students contribute original articles and cartoons for publication—the CAMPUS serving as an outlet for much of the talent here at Denison.

Marian Eschmeyer

The **Denisonian** is the weekly news organ of the campus, operated and edited entirely by students. Its prime function during the year is to acquaint the students with the events occurring on campus and to stimulate student participation in campus affairs. Through the editorial columns varying viewpoints on the issues that arise from time to time are presented. The overall policy is an attempt to keep the students informed of cur-

rent happenings at Denison with some editorial interpretation of everyday occurrences. Editing the paper this year was John McCarter, ably assisted by Marion Eschmeyer and Buck Wolmsley. The business operation was under the supervision of Holsey Kennedy and his assistants Ted Cochran and Tom Freer handled the advertising and circulation.

THE ADYTUM

The Adytum staff of 1952 takes great pleasure in presenting to you a publication which we hope will bring you many pleasant memories in the years to come. The theme of this year's Adytum should give you a humorous but sufficient conception of the myriad of problems involved in producing a yearbook. Regardless of these problems, we feel that the year has been a worthwhile one, and the opportunity to complete this book for you was a privilege. Much credit is to be given the many individuals responsible for the various sections of the book. There's little glory in yearbook production, and we would like it known that these people deserve much credit for their fine work.

UNIVERSITY PLAYERS AND MASQUERS

The two theatre honoraries on the Denison campus are the Masquers and the University Players. In order to qualify for Masquers, a student must have at least five hundred hours of theatre work to his credit. Obviously, therefore, this group is made up largely of theatre majors. The requirements for membership in University Players are not quite so imposing although active participa-

tion and interest are important requisites. To be a member of Players it is necessary to amass one hundred hours of theatre work, twenty-five of which must be in the nature of backstage work. Both Masquers and University Players have tapping in the Spring and Fall each year and there is no limit in the number of members.

THE DENISON BAND

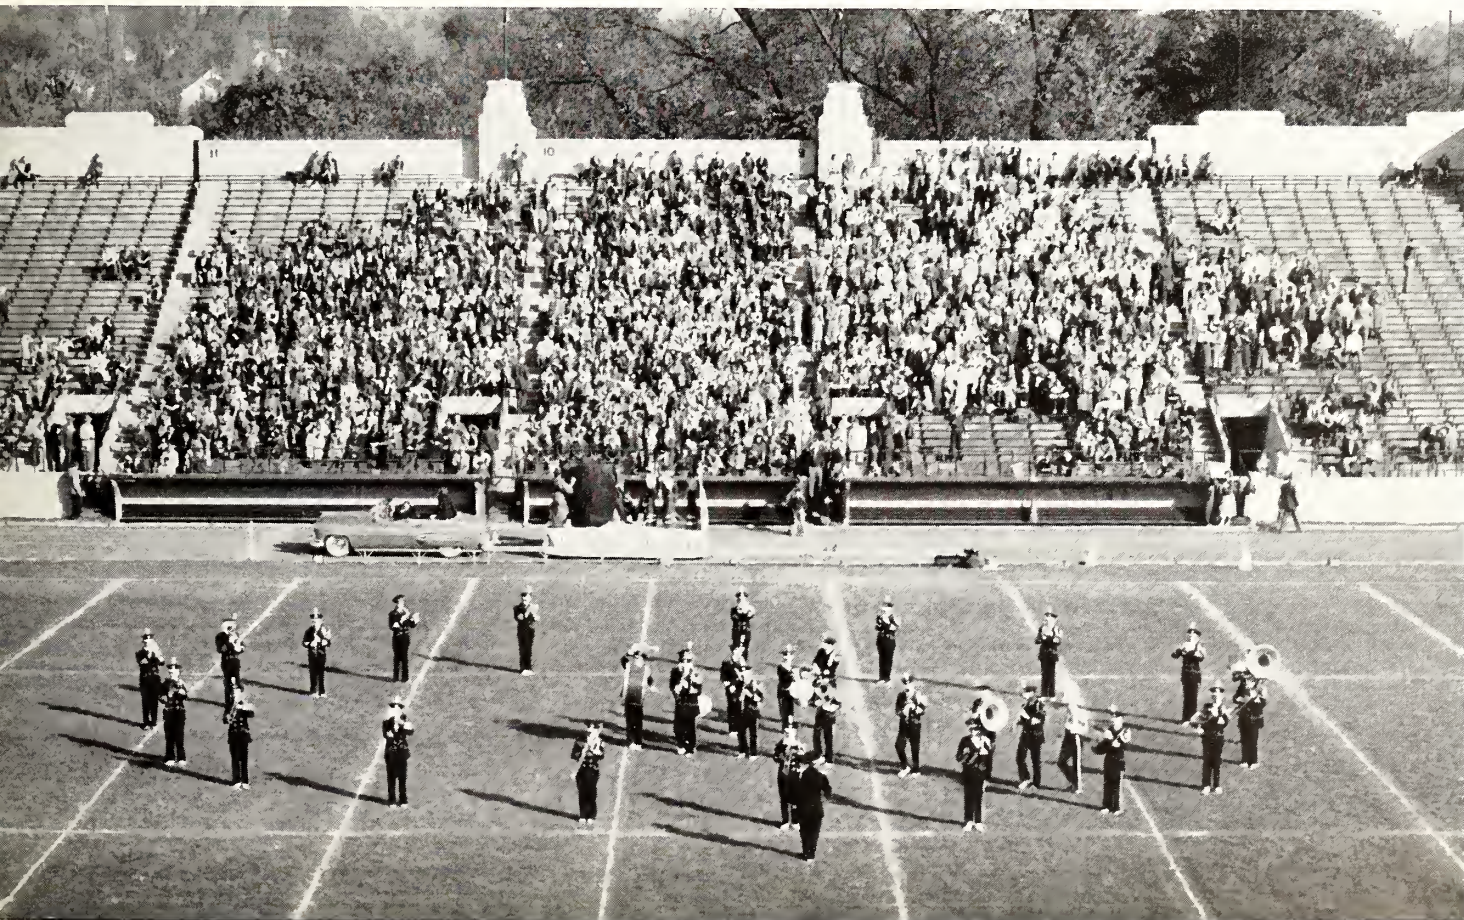

Hortley Alley and
young son

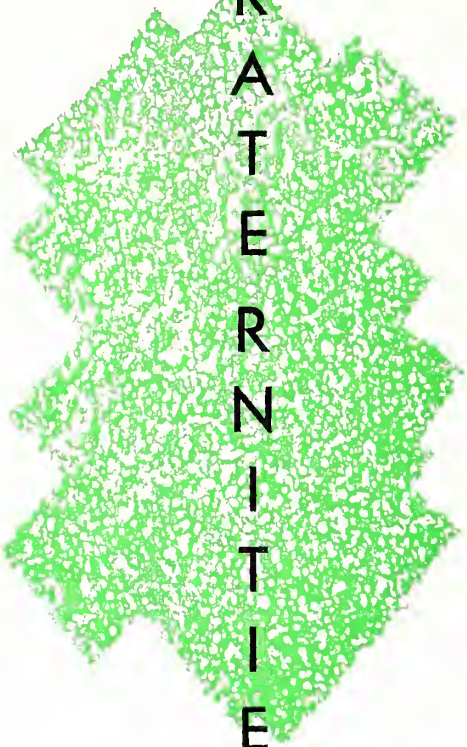

Ed Montgomery

The Denison University Big Red Band, under the direction of Mr. Hartley R. Alley, thrilled all who attended the football games this year with its impressive music and intricate maneuvers. Although the band was small, it gained a high reputation in Ohio Conference Colleges. A constitution was set up this year by band members and officers. Four members of this year's Big Red Band were selected for the 1952 Ohio Intercollegiate Band which includes musicians from all Ohio Colleges. This year George Dallas was president of the band, Bill Johnson was finance manager, and Ed Montgomery was drum major.

Mu chapter of Sigma Chi was chartered in 1868, only thirteen years after the fraternity was born at Miami University. Since that date, Mu has grown in stature and in spirit, building upon a firm foundation of Christian ideals.

Under the leadership of the class of 1952, the men of Mu have once again made an outstanding contribution to life at Denison. Fifteen Sigs participated in Varsity athletics, while two others bolstered the lacrosse club. Our top activities men included Dick Walters, "D" Association prexy, ODK, and Blue Key; Kent Taylor, Blue Key, ODK, varsity letterman, and chairman of Men's Judiciary; Tod Heyman, Mu's prexy, Blue Key, and Theta Eta Chi; Don Warren, Blue Key, "D" Association, and president of Alpha Epsilon Delta, pre-med honorary; Bob Laven, Blue Key and co-chairman of Bonds of Friendship; and Dick Pobst, Young Republicans' Club veep, Blue Key, and ODK. Bob Hilberts and John Reynolds circulated the **Campus** and the **Denisonian**. Tom Skidmore took the helm of the sophomore class, with Bob Cash as his secretary-treasurer.

In over-all well-rounded performance this has been one of Mu's most outstanding years. Not only have we learned from working together, but we also managed to take top scholarship honors for the first semester, place second in a tight intramural race, win the quartet contest, and play a vital part in almost every campus activity. For this record we wish to thank heartily our graduating seniors, and our housemother Mrs. Harrington, whose loyalty to Denison and to Sigma Chi deserves our most sincere recognition.

BETA THETA PI

President	Bruce MacNab
Vice-president	Jack Bovington
Recorder	Dick Price
Treasurer	John McCarter

This year, as always, the men of Alpha Eta carried out their responsibility as one of the top fraternities on the campus. Scholastically Alpha Eta ranked third, but the seniors led with an average of 2.74.

Blue Key elected four of the diamond wearers to their chapter, joining Isaly, McCarter, McNab, and Sepessy with Weber, Dallas, Crowe, and Lugar. Brothers Isaly, McCarter, McNab, Sepessy, and Weber were members of ODK.

Bob Sepessy was Co-President of DCGA. John McCarter retired as editor of the **Denisonian**, president of ODK, and treasurer of Blue Key. Tim Roudebush and Bill Isaly served as president and vice-president respectively of Pi Delta Epsilon. Ed Weber is Alpha Eta's new president and will be Business Manager of the Glee Club while George Dallas, Mu Sigma prexy, will again be the student director. Bovington is the retiring president of the senior class, while Briggs guided the freshman class in a similar position. Walmsley will serve as co-editor of the **Denisonian** and Ryno will be Business Manager of the **Adytum** next year. Lugar and Crowe serve as president and vice-president of DCEP.

Captain Bob Sepessy led twenty Betas into the last football season, and both he and Dave Maurer made All-Ohio. Basketball had co-captain and "D" Association prexy Laird leading four Betas into the fray. Seven Alpha Etas were on the track team led by Conference Indoor Champ Reid. Edgerly captained the baseball team and Weber, captain-elect of the tennis team was followed by Deeds.

The men of Beta hope to continue to do a fine job on campus in the coming year.

PHI GAMMA DELTA

 Historian Henry Seasholes

Phi Gamma Delta was founded on April 28, 1848 at Jefferson College, Canonsburg, Pennsylvania. The fraternity has expanded since that day and at the present time there are 81 chapters. Lambda Deuteron chapter was chartered in 1885 and now proudly claims 787 members.

The chapter is noted for several unique activities such as the 24th annual Fiji Fisticuffs, a boxing show in which pledges fight sophomores.

The climax of the social season was, as usual, the Fiji Island Weekend. The brothers and their native princesses came to the house garbed in true South Sea fashion of sarongs and grass skirts. Food, decorations and entertainment were in tune with this, and everyone was quite willing to go native.

Phi Gamma Delta exhibited leadership in campus activities once again by placing its share of men in various honorary societies. Dave Purcell is one of the two Denison juniors in Phi Beta Kappa. Brothers Sherman, Walters, Chamberlin and Kennedy were members of ODK with brothers Ames, McQuigg and Purcell tapped for the following year. Spike Kennedy succeeded Dave Sherman as president of Blue Key.

The Fijis also came through with a full share of campus leaders. Brother Ames was elected co-president of the Denison Campus Government Association. Don Shackelford is the new editor of **Campus Magazine**. Jack McQuigg was chosen co-editor of the **Denisonian**.

Phi Gamma Delta was well represented in athletics by "D" men Ames, Bowman, Broughton, Cochran, Dake, Gillies, Moore, Sherman, and Zweier. Brother Sherman also captained the Big Red basketball squad.

Kappa Sigma was founded at the University of Virginia in 1869. Since the founding of Gamma Xi chapter in 1910, Kappa Sigs have distinguished themselves in campus life. This has been another fine year. In campus activities Kappa Sigma took an active part. Ken Bassett was elected chairman of Men's Judicial Council. Don Alt was chairman of the Auto Court. Jerry Harris served as **Adytum** editor and Jack Newton will take over the reins next year. Dave Rounds, Fred Bogaert, Dave Bayley, Don Stiers, and Dale Gilb held leads on the Denison stage. The all-school social chairman for next year is George Davis. Four brothers; John Wosinski, Jim McFarland, Al Cramer, and Dave Bayley, have been elected class officers. Kappa Sigs hold many honorary keys with Dave Rounds and Ken Bassett in Omicron Delta Kappa and these men in Blue Key; Don Alt, Art Kleck, Ken Bassett, Fred Bogaert, Dave Rounds, Frank Cover and Jim Moore. Weekly we entertain at the orphan's home in Newark. Dick Hotaling led this worthwhile project.

Holding starting positions on the Big Red Eleven were brothers Jim Moore, John Wosinski, Ken Bassett, Don Alt, Don Bren, and Bob Vogt. Jim Moore and John Wosinski have been elected to co-captain the 1952 team. On the starting five in basketball were Tim Healy, the most valuable player, and Bob Vogt. Hurler Art Kleck, together with Don Alt and Don Bren, represented Kappa Sigma on the baseball diamond. Other Kappa Sigs won their letters in tennis, track and golf. Five brothers were on the lacrosse team. For the second straight year Kappa Sigma won the trophy signifying victory in intramural competition. Kappa Sigma now turns to the new year, with best wishes and much praise due our graduating seniors.

PHI DELTA THETA

President	Don Habbe Rog Farley
Vice-president	Don Carey Jim Truesdell
Secretary	Bob Downing Dick Lord
Treasurer	Wally Dunbar George Garrett

The past year found the Phi Delts quite prominent in all fields of campus activity. On the athletic scene many Phis turned in exceptional performances for the Big Red varsity teams. In football Don DeJong played sensationally at end and was chosen to the All-Ohio Conference team. In the winter Don again led the quintet in scoring, while Joe Fassett and John Keegan played well too. The spring sports brought many more Phis onto the scene. In track Don DeJong, Dave Endres, Dane Macomber, Lou McCombs, Woody Randolph, and Ray Bartlett worked hard for the thin-clads. The baseball team was paced by Sam McKenney in pitching and Wayne Peterson in hitting. Ken Thompson and Jim Barth were also on the squad. The highly touted golf team was led by Chuck Peckham and Bill Austin, number one and two men respectively. The lacrosse team was sparked by Bud Miller, Chuck Hess, Jim Kalbfleisch, John Heamon, and Bob Reese. The Phi Delt intramural teams also placed consistently high, paced by the Championship "A" league basketball team.

Phis filled the ranks in many honoraries and activities too. In Omicron Delta Kappa were Bill Austin, Joe Fassett, and Don Habbe. Phis in Blue Key were Bill Austin, Joe Fassett, Don Habbe, and Harry Round. Phis were also prominent as editors such as Harry Rownd, sports editor of the **Denisonian**, and Bob Darling, fraternity editor of the **Adytum**. Joe Fassett was student co-leader of the Student Union, while George Garrett lead the Sophomore classes' social activities.

The Phi Delt social calendar was filled with outstanding parties including the famous She Delta Theta party. A great portion of the success of the year is due the senior class and the chapter advisors. To them we give our sincere thanks.

LAMBDA CHI ALPHA

President	Dave Fullmer Tom Williams
Vice-president	Fred DuBois Guy Glenn
Secretary	Harry Sharp Bill Hughes
Treasurer	Dave O'Neil Hugh Pickett
Social Chairmen	Don Grail Bob Scott, John Trimble

From its beginning at Boston University in 1909, Lambda Chi Alpha, with 140 chapters, has grown into the most extensive among Greek letter fraternities. The local chapter, chartered in 1919 as an outgrowth of the Sycamore Club, is at last about to see the fruits of years of planning and saving. The Lambda Chi "dream" house is going to be built along fraternity row next year.

Many of the brothers deserve hearty commendations for positions in campus activities and honoraries. We salute: Dave Fullmer, who besides holding offices in ODK, Blue Key, and TKA, was elected co-vice-president of DCGA and co-chairman of Christian Emphasis Week; Harry Sharp, in Blue Key and ODK, who was co-president of DCEP; Tom Williams, new I.F.C. president; Barrie Bedell, retiring editor of **Campus**; Don Grail, director of this year's Bonds of Friendship Show; John Trimble, Pi Delta Epsilon, Blue Key, and Chemical Society; Bud Steele who holds offices in Masquers and University Players; Hugh Pickett, TKA, Blue Key, and in charge of freshman debate; Guy Glenn, Chemical Society, president of AED; Charley Heventhal, president of the Franco-Calliopean Society; Paul Hoh in the DCEP cabinet.

The social schedule was as full as ever with the usual formal dances and informal open houses, spiced with novelty parties such as the gambling party, sock dance, lumberjack party, and the ever popular "dive party." In the Homecoming parade, the Lambda Chi float took first place honors.

With a new house ahead and an enviable record behind, the Lambda Chis are looking forward expectantly to the years to come.

SIGMA ALPHA EPSILON

President	Lee Cross Bill Pflueger
Vice-President	Tom Mathew Ed Baker
Treasurer	Cy Weagle
Social Chairmen	Dale Wilson Don Sharp

The Ohio Mu of Sigma Alpha Epsilon was founded on the Denison campus in the fall of 1919, after operating as a local, Omega Pi Epsilon, for several years. During the past year we have eagerly watched the construction of our new chapter house and are about to enjoy the facilities of our new home.

This year the fraternity's biggest social function was the weekend party known campuswide as the "Underworld Weekend." The house was transformed into a dungeon, and the members visited the women's dorms armed with the proper writs and subpoenas to announce the start of the week. The dance was held on a Friday night, and at midnight the men moved out of the house allowing the women to stay all night. The next day we returned and had breakfast cooked with the help of our dates, and in the afternoon the activities ended with a picnic. The highlight of the weekend was the trial of Captain Video Sharp with E. Clark "Injustice" Morrow presiding. The annual Sweetheart Dinner was a pleasant event and we were host to over forty guests.

Notable campus activities represented in the chapter are: ODK, Blue Key, Pi Delta Epsilon, Tau Kappa Alpha, Denison Broadcasting Club, Theta Eta Chi, Pi Sigma Alpha, Psi Chi, Mu Sigma, University Players, Alpha Epsilon Delta, Varsity Football, Basketball, captain of the track team and two record holders, Lacrosse, Freshman and Sophomore class officers, and the Chemical Society.

The highlight of the intramural season was the winning of the volleyball trophy. The chapter conveys its best to the graduating seniors who have helped so much to keep Sigma Alpha Epsilon on top.

AMERICAN COMMONS CLUB

Vice-president	Ray Mummery
Recording Secretary	Don Barringer
Treasurer	Avery Haak
Chaplain	John Kampton

The brothers of the American Commons Club gathered together on September 11, 1951, to begin the Clubs 35th year on the Denison campus with a traditional serenade for the freshman women on their first night in Granville.

Not only does the Denison chapter take an active part in the national organization, but it continues to play its part in the Denison fraternity system. The Club, in co-operation with Chi Omega sorority, has made weekly visits to the Franklin County Children's Home to assist in brightening the lives of those underprivileged children.

In interfraternity competition, the Club did exceptionally well in handball, ping pong, and tennis. Senior Joe Kaye helped the Commons Club keep its title of the "singing fraternity" as the brothers took first place in both the Pledge Sing and the Mother's Day Song Contest.

Our social season, including the annual "Fowl Ball" and many other events, hit a new high on the weekend of April 25-26 when the ACC Casino spun into existence followed by the girls taking over the house for the night and steak roast on Saturday.

For service in campus activities we salute the following seniors: Claude Pullis for his work in DCEP, Club ex-president; Don Roberts, member varsity debate, Blue Key, Phi Beta Kappa, Tau Kappa Alpha, president of Math Club, I.F.C., vice-president of Radio Club, ODK, and Chairman of Board of Control of Speech Activities. The Club was represented in Delta Phi Alpha by James Matthews and John Slade who were president and treasurer respectively of the A Capella Choir as well.

DELTA UPSILON

President	Tim Adams
	John Crosby
Vice-president	Chuck Olson
	Al Sheahen
Treasurer	John Humphreys
	Clarence O'Dell
Social Chairman	Chuck Olson
	Clayton Murphy

Delta Upsilon was founded on November 4, 1834 at Williams College. The Denison chapter was organized as a colony on January 18, 1949 and was installed as a member of Delta Upsilon National Fraternity on December 3, 1949.

In its three years of existence Delta Upsilon on the Denison campus has participated in all phases of fraternity life. Outstanding DU's are to be found in most of the college honoraries, varsity athletics, and theatre. Tom McGranahan is a member of Alpha Epsilon Delta and Delta Phi Alpha. Delta Upsilon is represented in Tau Kappa Alpha, national speech honorary, by Dave Chaney and Jack Humphreys, and in University Players by Dave Chaney, Bob Wynn, Tom McGranahan, and Bill Osborn. Dave Chaney and Bill Osborn were recently tapped for Masquers, local theatre honorary. John Crosby and Jack Humphreys are members of Blue Key, national Junior Men's Honorary.

In the field of varsity athletics DU was represented on the Big Red football team by Tom Banbury, on the indoor track squad by Tim Adams, by Carl Jochens as the catcher on the baseball team and by Ralph Allured on the spring track squad. Tom Winans was a member of the newly organized lacrosse team.

The newly gained house on the corner of Mulberry and West Broadway has naturally been of great concern to the chapter. Of all the improvements which have been made on the house probably none meant more this year than the installation of a kitchen. This means that Delta Upsilon has made the final step in fraternity living and another one in establishing a firm foundation on the Denison campus.

INTERFRATERNITY COUNCIL

The Interfraternity Council is the active body which formulates all legislation and regulations pertaining to the fraternity system on Denison's campus. The Council is composed of the president, one junior member and the faculty advisor of each chapter and the dean of men serves as an ex-officio member.

The Council meets on alternate Sunday evenings throughout the entire school year. Included in its duties are the establishing of the dates and rules for men's rushing, the dates of all interfraternity dances, including the fraternity pledge formal, and other interfraternity events which take place during the year. Its aim is to cooperate with the administration in promoting mutual understanding and to serve as the guiding body for fraternity action.

The Council is reorganized in May of each year and its officers are elected by the Council members themselves. The Council serves in a judicial capacity in deciding all cases where charges of failure to adhere to the Council rules are brought against any chapter on the campus.

PAN-HELLENIC COUNCIL

The Pan-Hellenic Council is composed of two members from each of the eight sororities on the Denison campus—Alpha Omicron Pi, Alpha Phi, Chi Omega, Delta Delta Delta, Delta Gamma, Kappa Alpha Theta, Kappa Kappa Gamma, and the Shepardson Club. The Council has the responsibility of regulating the activities which have inter-group significance. Their duties are to supervise the sorority rushing rules and schedule, and the fall and spring Pan-Hellenic dances.

Before school begins, every freshman woman receives a very clever and complete rushing pamphlet published by the Pan-Hel Council to guide her through rushing. The booklet includes such

information as what sororities are, what their place is at Denison, what the rushing rules are, some helpful hints about rushing, and what Denison's rushing standards are. It also includes an itemized account of expenses for each of the women's social groups on campus.

The aim of the Pan-Hellenic Council is to promote good will, co-operation, and integration of sorority life with other phases of college life. The officers of the Council rotate among the social groups. For this year the officers were as follows: President, Martha Shorts; vice-president, Katy Meeker; secretary, Joyce Goodwin; treasurer, Gerry Granfield.

CHI OMEGA

President Ursula Kroeger Stinchcomb
 Vice-president Patricia Tubaugh
 Secretary Ann Kinney
 Treasurer Nan Cuddy

Chi Omega, founded on April 5, 1895, at the University of Arkansas, is the largest national woman's fraternity. In the fall of 1928 the Delta Gamma chapter of Chi Omega was installed as the first national sorority on the Denison campus. Chi Omega's project, weekly visits to the Franklin County Children's Home, has been continued this year. Three girls in the chapter, Jo Johnson, Nancy Nussbaum, and Sherry Shaheen served as Junior Advisors. Many Chi O's served on the various publication staffs. Four members held major positions: Jo Johnson and Nancy Nussbaum, who worked on the **Denisonian**, Jo as feature editor, and Nancy as Managing editor; Katie Goll, who was distribution manager of **Campus Magazine**; and Lynn Wellman, who was co-editor of **Deniscope**. The chapter is proud of Lucille Long and Pat Tubough, who were tapped for Mortor Board; and Emy Connor, Jo Johnson, and Nancy Nussbaum, who were elected to Crossed Keys, of which Nancy was president and Emy was sociol-chairman. Lucy Long served as vice-president of DGCA and president of Tau Kappa Alpha, and Pot Tubaugh was elected president of Woman's Council. The Chi Omega members of Phi Society were: Ann Baker, Judy Bell, Bonnie Bright, Jenny Smith, and Lynn Wellman.

The Chi Omega's enjoyed entertaining the children of the faculty at a Halloween party and the children from the Franklin County Home at a Christmas party. The annual faculty open house and bonquets on Dad's and Mother's Day were also among the festivities of the year. Outstanding among the donces, which were held at the Chi Omega house, was the annual Southern Ball.

Kappa Alpha Theta was founded January 27, 1870 at De Pauw University in Greencastle, Indiana. Denison's Beta Tau chapter was organized as Chi Psi Delta, a local sorority, and became national in June 1929.

The Wee White House has been the scene of many traditional functions. The usual luncheons were held for the fall Father's Day and the spring Mother's Day, with late breakfasts the following morning. A Combo party was held after Christmas. The pledges used "The Dark Town Strutters Ball" as the theme for their pledge formal. A Sweetheart dinner also added to the activity in the newly decorated house.

Jean Lockhart presented the house with the cup she won as Sweetheart of Sigma Chi. Congratulations also go to Susan Walters as attendant to the Homecoming queen, and to Peggy Williamson for being on Junior Prom court.

The chapter has had its share of campus honors. Susan Walters was president of Mortar Board, while Jean Lockhart was president of the Women's Music Honorary, and Lynn Olwin presided over Masquers. Newly elected to Phi Beta Kappa is Norma Henderson. Tapped to Mortar Board and Crossed Keys are Frances Starbuck, and Susan Sholes and Ann Creel respectively. Elected to University Players is Janet Gordan, and to Franco-Calliopean are Kitty Schell and Fran Starbuck.

Theta helps to support a Dutch girl through the Foster Parent's Plan for War Children, and also works with a group of children at Hartzler School in Newark. An Institute of Logopedics in Wichita, Kansas also has the backing of the chapter.

Delta Chi of Delta Delta Delta was the second national sorority to be installed on the Denison campus way back in October 1929. We are one of the national organizations which was founded at Boston University in 1888.

This past year we have upheld our traditions of friendship and personal goals by being a strong part of the campus life academically, politically, and socially. We have maintained a chapter average of a 2.7 and this spring Beverly Brawn, Haney Lau Hadsan, and Darty Markert were elected to Phi Beta Kappa. Under the guidance of Bev Brawn we felt that DCGA has had a rewarding year, and next year Mary Alice Berger will aptly lead Woman's Council. Also campus leaders are Janet MacMahan who headed Orchesis, and Darty Markert who was co-chairman of Bands of Friendship. Next year Ruth Grabeman will be president of WAA as well as a member of Martar Board.

We all cheered when L. D. Davis was chosen Homecoming Queen and when Kim Champlin was on the court of the Sweetheart of Sigma Chi as well as being picked as Miss Campus.

Not only have the Tri Deltas been active on campus, but in our chapter house as well. We have celebrated Homecoming, Founders Day, and the Pansy Breakfast for the Seniors with banquets done in the best of style. It was great fun putting together our "Alice in Wonderland" skit which took first place in the Bands of Friendship show. One of the most memorable events of the year was the la-te-da dinner dance held in February.

 Treasurer Elaine Velloccott

Having completed its first year in the new house on Mulberry Street, Kappa looks back on a panorama of wonderful memories for the year of 1951-1952. The Denison chapter's first housemother, Mrs. Raney, has offered invaluable assistance to this group and has helped to make the new house a real home.

This year has been quite eventful, with its many new offices, honors, and social events. Kappa's social service committee this year took over a New York Girl Scout troop and a dancing school project in Alexandria.

Kappa's holding offices in school activities this year are Jean Dungan, YWCA vice-president; and Joann Pease, co-judicial chairman of DCGA. Mary Jane Chenoweth is the newly-elected co-president of DCGA for the coming year.

New honors for the year go to Betty Bevier and Mary Jane Chenoweth, topped for Mortar Board; Susan Miles and Joyce Stoley, topped for Crossed Keys; Notolie Kooker and Nancy Pobst, topped for Orchestis; Mary Jane Chenoweth, topped for Tau Kappa Alpha; and Mary Jo Phillips, topped for Franco-Collopedan.

Along with fraternity open-houses and Coffee Klatches with other sororities, we have had, the Big and Little sister parties, formals, Mother's and Father's Day banquets, and the Kappa Weekend, which, it is hoped, will become a tradition.

Crowned this year with laurels of beauty were Peggy Molpass, Junior-Prom Queen; Peggy Schoirer, a member of the Homecoming and Sigma Chi courts; and Lynn Rossboch and Mary Crossland, also members of the Sigma Chi court.

 Treasurer Patricia Wade

Alpha Phi had its beginning at Syracuse University, Syracuse, New York in the fall of 1872. The Denison chapter was organized as Phi Phi Phi in 1921 and became the Beta Kappa chapter of Alpha Phi in 1930.

Socially speaking, Alpha Phi is proud of its many activities and customs. The traditional Old English Dinner took place at the Granville Inn. Decorating in a far eastern theme, the pledges entertained at their formal. The Homecoming celebration included burning the house mortgage.

Outstanding personal honors have been awarded to many members of Alpha Phi. Elected to Phi Beta Kappa are Mary Anne Schenk and Elna-Jean Young. Mortar Board tapped Geraldine Granfield; and Crossed Keys elected Margaret Cook, Barbara Griffith, and Charlene Smeltzer. Elected to Franco-Calliopean were Dorothy Duncan and Carol Kormendy; and to Tau Kappa Alpha was Barbara Griffith. Junior Advisers are Geraldine Granfield, Norma Humel and Janet Forsaith. Masquers elected June Harvey and University Players elected Barbara Griffith, Margory Spry, and Virginia Wood. In the Women's Music Honorary are Barbara Curtis and Virginia Wood; and in the Broadcasting Club are Barbara Griffith, June Harvey, Elizabeth Janda, Jean Kingery, and Elna-Jean Young. Mary Bailey received a graduate scholarship to Columbia University. Orchesis elected Barbara Young and Charlene Smeltzer. Positions on the **Adytum** were held by Nancy Friel, associate editor, typists Barb Griffith, Barb Stanley, Barb Meyer, and Marg Cook.

In the field of Beauty Alpha Phi has reason to be proud of Marilynn Graham who attended the Homecoming Queen and Nancy Friel who reigned with the Junior Prom Queen.

 Treasurer Nancy Passolt

With the pledging of an enthusiastic group of freshmen, Alpha Omicron Pi was filled with zeal to begin a new year.

Alpha Tau has divided her time among social functions, philanthropic work, campus activities, and maintainance of a good scholastic average. The first big party of the year was a pirate brigade. The remainder of the year was filled with fraternity socializings, the pledge dance, and the traditional Rose Ball.

Not all the time was spent in play as may be witnessed by the number of honors received by members of the chapter. Jackie Sovulewski was tapped for Mortar Board; Carol Taylor and Lou Rosenberger, Crossed Keys; Nancy Tucker, Gil George, Helen Wilson, and Frances Rees, Music Honorary; Ginny Earle, Orchesis; Chris Kornman, Masquers; and Betty Litchfield, Music Honorary. Margie Waggoner won the chapter scholarship award and Jan Kriekhaus received the ring for the model pledge. Also two girls, Carol Taylor and Lou Rosenberger were elected junior advisers.

Despite these many activities, Alpha Tau has continued her interest in philanthropic work. She was very proud to welcome one of her alumnae, Dr. Berry, on campus and was fascinated by her talk of her work in Burma. Many visits also were made to Utica to entertain the Golden Agers.

With the coming of spring, two of the girls were given beautiful serenades at the house.

Alpha Tau can honestly say that she is waiting anxiously the beginning of another year here at the college on the hill.

DELTA GAMMA

 Vice-president Patricia Brown
 Recording secretary Joan Johnson
 Corresponding secretary Ellen Thomas
 Treasurer Lucia Howarth

The seventy-three members of the Beta Zeta chapter of Delta Gamma, third oldest national women's fraternity, review a happy and eventful year of sorority life.

On the lighter side of the DG doings were the Pledge Formal, when the 29 pledges and their dates changed the house into a bit of old New Orleans with its gay Mardi Gras; the Informal Panhells, and the Christmas Party, besides numerous fraternity and sorority get-togethers.

On the more serious side the DG's worked on their national project "Sight Conservation and Aid to the Blind." In May the entire chapter played hostess to the Newark Braille Club. Beta Zeta has its own special project, maintaining a young Greek war orphan. The grateful letters from Lena help the DG's realize the condition of war-devastated countries.

The interests of the Delta Gammas are many and varied as a close look at the activity book would show, but now special recognition is due Connie Ford for four years of outstanding work in the Denison Theaters and to our own "P.B." Pat Brown, Phi Beta Kappa. Congratulations also to Margie Winters, Jill Woods, Pam Erickson, and Shirley Umphrey for being elected to Franco-Calliopean; Pam Erickson, Shirley Umphrey, Jill Woods, Margie Winters, Mibs Birkemier, and Mil Curtis to Crossed Keys; to Margie Winters and Connie Ford for being in Mortar Board; to Carol Swisher and Kathy Whitacre, presidents respectively of Student Speaker's Bureau and Denison Broadcasting Club, and to all the other DG's who held office in campus honoraries.

SHEPARDSON CLUB

President Grace Padelford
 Vice-President Sylvia Ross
 Treasurer Matoira Westermarck

Shepardson Club, which was founded in the spring of 1920 through the efforts of President and Mrs. Chamberlain and a group of upper-class women, is unique among Denison women's social groups in its "open door" policy, which means that any girl may join regardless of race, creed, or color.

For the past years the Club has held top place with the highest academic average among the women's social groups.

Two of our girls have been elected to Phi Beta Kappa. They are Sylvia Ross and Wanda Thomas.

We are also proud of the number of girls who have been tapped for Denison Women's Music Honorary. They are: Sylvia Ross, Rayko Yasumura, June Holcomb, Wanda Thomas, Carol Thorpe, and Jean Tuggey.

Sylvia sang the title role in "The Medium," and sang the part of Laetitia in "The Old Maid and the Thief." Wanda sang the main role. Rayko sang the title role in "The Mikado."

Phyllis Grossman is a member of Orchesis and Joy Clapp is a member of Franco-Calliopean. Joy also won second place in The Ray Sanford Stout English Prizes for 1950-1951 with her short story "Cocoon."

The major project of our group in the past years has been "stuffing." This is our term for placing AT DENISONS into envelopes and sorting them. At various times during the year we get together for slumber parties and informal gatherings with our dates.

One of the mainstays of the Denison spirit on the football field and the basketball floor is the excellent squad of cheerleaders. This group, lead by Rog Owen during the past year, went on all of the football trips and trained and established a freshman cheering squad from which next year's cheerleaders will be chosen.

FOOTBALL

Although winning four, losing three, and tying one the Big Red had their strongest team since the undefeated teams of Woody Hayes. The 1951 team got off to a bad start but quickly developed into a powerhouse. With some good breaks and less injuries to key men the Big Red might have been undefeated. The team had to play under the mental burden brought about by the death of Jack Sload during the fall practice session and the serious injury of Carl Murray during the regular season.

The offense was strong at times. It was paced by Dave Maurer who was the leading passer in the Ohio Conference with 1150 yards and 10 T.D.'s. Don DeJong, the other half of the passing attack, was second in pass receiving, catching 27 passes for 587 yards and 4 touchdowns. Half-back Bob Vogt was third in scoring with sixty points on 10 touchdowns. The offensive line was spectacular, but lacked depth.

The defensive line was big and rough. It was second in the Conference in yielding the fewest yards gained on the ground. It was the defensive backfield that was weak. The opposing quarterbacks time after time passed for important touchdowns after being stopped on the ground.

With the season over many Big Red players won awards for their playing. DeJong and Maurer were named to end and quarterback spots on the Ohio Conference All-Star team while Captain Bob Sepessy and lineman Ken Bassett were named to defensive berths. The annual most valuable player award went to Sepessy for his great defensive and offensive play at the end position. Trophies were presented to Doc Warren as most efficient offensive lineman; Bucky Walters, most efficient defensive lineman; Don Bren, most efficient defensive back; and Dave Maurer as most efficient offensive back.

OHIO WESLEYAN

The visiting Denison team went down to a 21-14 defeat before its arch rivals, the Bishops of Ohio Wesleyan. The Big Red eleven was leading 14 to 7 with but five minutes to play when Wesleyan opened up their pass offense that quickly clicked for two touchdowns. Up until this moment the visitors had completely outplayed, outfought, and outguessed the gridmen from Wesleyan. The work of Dave Maurer, Bob Vogt, and Don DeJong was again outstanding, but they could not make up for the mental lapses of the defensive backfield. Both the offensive and defensive lines played inspired ball.

WOOSTER

A large homecoming crowd, including queen L. D. Davis, cheered Denison to its first win, a convincing 38-6 triumph over previously undefeated Wooster. The Big Red rallied to a 21 to 0 lead at the end of the first half and added 16 more tallies in the second canto. The game was highlighted by the five extra points and a twenty-four yard field goal by Andy Deeds. Also outstanding for the Carlmen was the passing of Dave Maurer and the receiving of Don DeJong. This duo counted for two of the Big Red touchdowns as did the running of Bob Vogt. Kent Taylor scored the fifth T.D. for Denison.

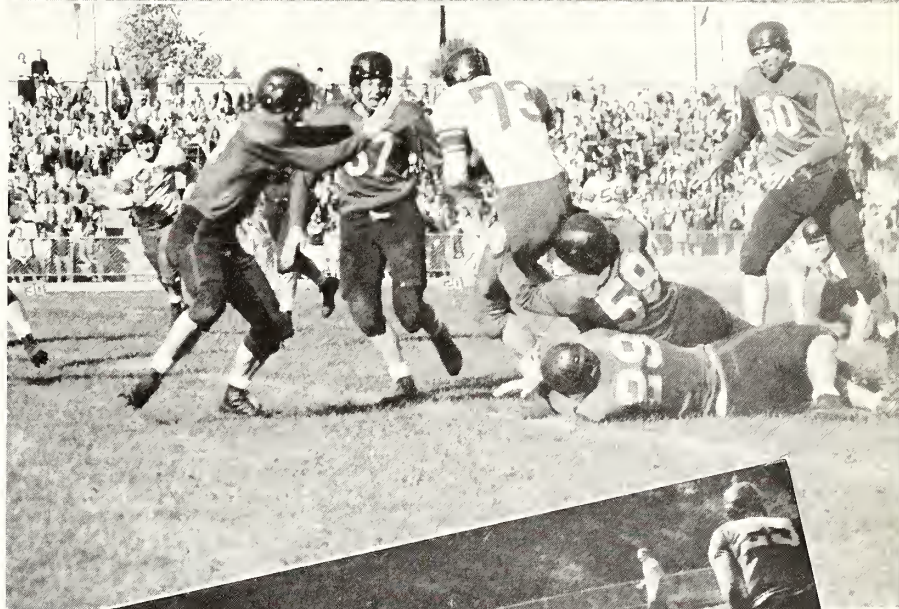

OBERLIN

Although outgaining the Yeomen 470 yards to 244, the Big Red went down to a 28-27 defeat when the Yeomen scored with just four minutes remaining. The running of Bruce MacNab sparked the injury-riddled Denison team but numerous intercepted passes and fumbles ruined all scoring threats the Big Red could muster.

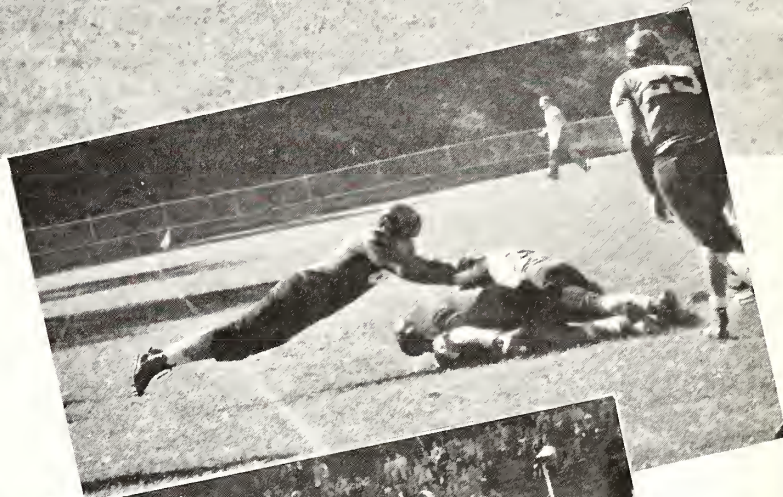

OTTERBEIN

The Big Red battled the Otters to a 20-20 tie that was marred by twenty-six penalties. The visiting Denison team had many opportunities to score but were constantly being penalized for infractions of the rules. Only the end work of Bob Sepessy and Don De-Jong prevented the Big Red from losing the game.

W AND J

The Big Red opened the season with a loss as they went down to defeat 29-21 before the Presidents. The home team was leading at the half but fell apart in the second half as the visitors took to the air with devastating passes that the Big Red defenders could not stop. Bob Vogt was outstanding for Denison.

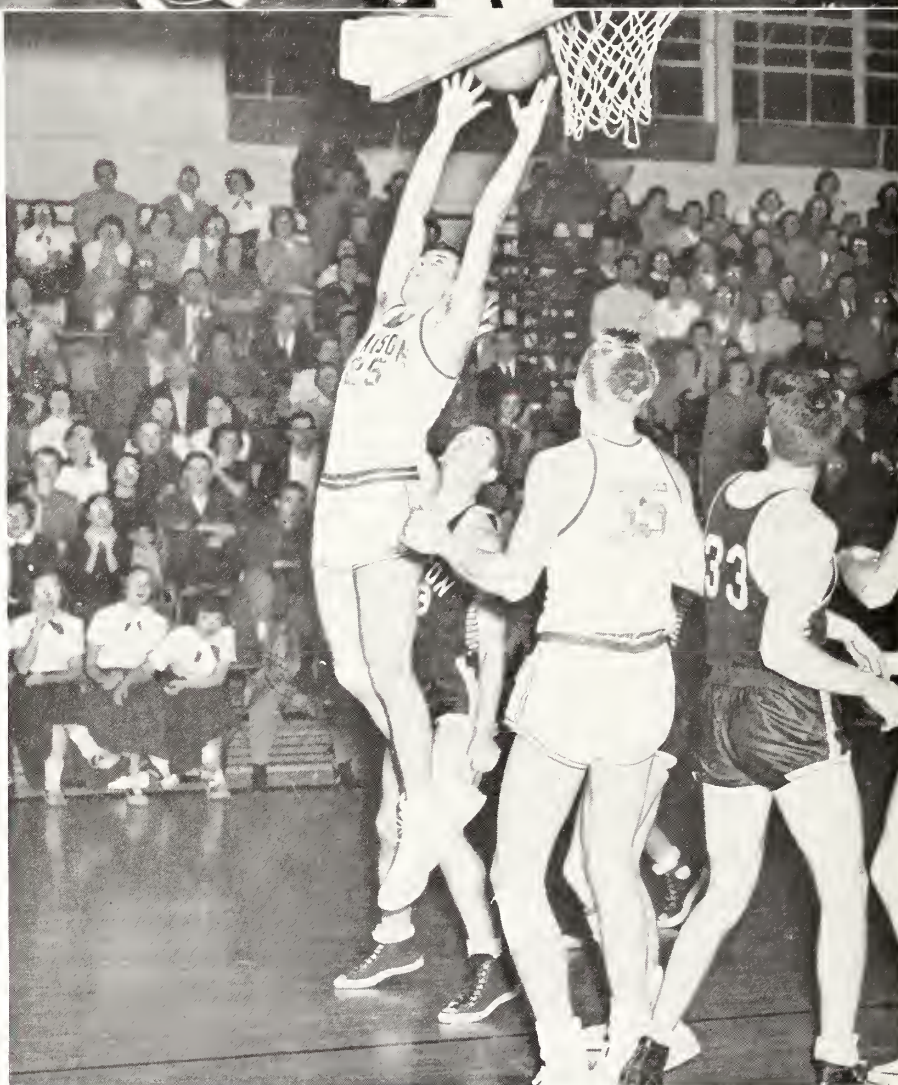

WITTENBURG

The Big Red eleven surged through snow and mud to completely crush Wittenberg 38-7 before a Dad's Day crowd at Deeds Field. The game was never in doubt as Dave Maurer passed for 213 yards and defensive back Don Bren ran back an intercepted pass for 84 yards and a touchdown. The Big Red showed the spirit and drive that had been lacking in earlier season games.

BASKETBALL

The first season under Coach Johnny Loenhert proved to be a fairly successful one for the Big Red quintet as they won eight of twenty-one games and stood seventh in a field of fourteen

in the Ohio Conference race with eight wins and nine losses.

The Big Red had plenty of height and ability, but lack of experience hindered the hoop squad, particularly in the early stages of the campaign.

This lack of experience proved to be the downfall of the sophomore-studded varsity as they dropped their first seven games.

After Christmas, however, the cagers bounced back to cop four straight conference games over Wittenberg, Otterbein, Marietta, and Heidelberg before losing again.

For the rest of the season the Big Red team was able to play about even ball. Sophomores Tim Healy and Don DeJong held down the starting forward positions. Healy was the co-ordinating factor on this year's squad and was voted the most valuable player on the team. DeJong tallied 314 points to rank among the leading scorers of the Ohio Conference and rank himself as the fourth highest scorer in Big Red history. He also set a new conference record for rebounds, grabbing 36 against Otterbein. Bob Laird, Bob Vogt and Dave Maurer alternated at the guard positions as illness or injury affected each at one time or another during the year. Big six foot seven inch Jim Emanuelson had some trouble finding the range this season, but started

to hit regularly near the end of the year. Captain of this year's squad was Dave Sherman, senior forward from Columbus. The season marked the end of a four year basketball career for Dave here at Denison. Next year's captains will be Bob Laird and Jim Emanuelson. Laird acted as floor captain of the squad. He was one of the best floor men on the squad and, although he did not score consistently, was always a threat in the scoring column. The quintet should

be strong with a wealth of material in the sophomore and junior classes still available. The whole first team will be on hand along with juniors, Cash, Cope, Jones, and Prasse, and sophomore Keegan. All things point toward this year as being the start of a new basketball era.

TRACK

The story of the track team for this past year can easily be told in terms of strong stars and weak depth. Coach Jack Carl and his "big six" once again turned out a winning season, the highlight of which was the Ohio Conference indoor championships held at the new Denison Field House.

The team was led by Captain Don Sharp and John Ames, perhaps the best two track men on this campus in many years. Sharp ran a 1:59.6 half mile to break a 19 year old record. He was consistent throughout the season winning either the mile or two mile or both in every meet. Ames, on the other hand, has been setting and breaking his own records in the hurdle events for the past years. This year he finally caught up with the 120 yard high hurdle mark that had stood for 23 years. The new record is 14.9. John was also invited to the Chicago Daily News relays to meet in competition with such stars as Harrison Dillard and Joel McNulty.

First row: Bob DeVore, Lloyd Norman, John Billingsley, Ken Glenn, Don Sharp, Dick Briggs, Bob Billingsley, Bob Reid

Second row: Karl Kahlenberg, Rog Landrud, Ted Cochran, John Ames, Ray Bartlett, Dee Miles, Hud Baumes, Irvin Harlamert

Third row: Bus Rees, Lou Rice, John Damron, Bob Ramsdell, Dave Endres, Ralph Allured, Gib Brown

Fourth row: Coach Jack Carl, Ken Bassett, John Wosinski, Lou McCombs, John Keegan

The rest of the "big six" featured Zeb Burgess, the record holding pole vaulter, and Rog Landrud the all-around track man, who could fill in any of six events. Don DeJong, who holds the high jump record, greatly bolstered the field events after basketball season was over and Soapy Ried, Conference indoor high jump champion, helped to place the Denison track team on the winning road.

The Big Red was weak in the dashes, but the steady performances of Bob and John Billingsley, Ken Glenn, Dane Macomber, and Dave Endres gave signs of the making of a great team for next year. Other consistent competitors were Ted Cochran in the hurdles, Gib Brown and Irv Harlamert in the 440.

Coach Carl has much to look forward to this next year, for all but three letter men will be on hand.

Keith Piper, former Baldwin-Wollock football star, made his first season at Denison a successful one as his team split even in eight games.

Kent Taylor of Western Hills, Illinois, and Jim Edgerly of Sonoma, California, were the co-captains of the squad. Taylor is a three letterman at third base and Edgerly won two in center field.

BASEBALL

The baseball squad was somewhat handicapped due to its having four out of twelve games rained out, but still came through with a four and four record. They batted .302 as a team but inconsistent pitching and loose fielding hindered the attack.

The season started out with a 9 to 8 defeat at the hands of Kenyon with Big Red pitching collapsing in the last frame. Wayne Peterson's four hits and relief pitching by Sam McKenney brought the first win in as Otterbein went down 6 to 3. A disorganized Ohio Wesleyan team then was hammered for 21 to 8 victory in which Edgerly hit two home runs. Then Capitol turned a weak fielding D.U. away by a 20 to 3 score, but the Big Red bounced back behind Ryno's two home runs to take Wittenberg 9 to 6. Two games were then lost by errors to Wesleyan 6 to 2 and Muskingum 6 to 5. Bob Cash then pitched a good four hit game to humble Kenyon 9 to 1.

Wayne Peterson led the local hitters with a .514 average and was followed closely by Edgerly's .437. Ryno's four home runs led the power hitters and both he and Edgerly batted in eleven runs.

GOLF

The Big Red linksmen, under the able coaching of Edson Rupp, turned in an admirable record of seven wins and three losses throughout the season. At the end of the season they stood a good chance to repeat as Ohio Conference Champions again, but they had to settle for a third as the scores soared on a fast rolling Granville Course.

Captain Bill Austin completed four years of competitive golf this year and did very well. Sophomore Chuck Peckham started as number one man and proved to be one of the steadiest players in the Conference. Bill Moore, Andy Wiley, and Bill Whitmer completed the squad.

TENNIS

Though hampered by the ineligibility of Captain Blitz Creager, the Big Red tennis squad finished the season with a credible record of six wins and four losses. Coach Tris Coffin had a strong squad behind him including Bill Bowen, runner-up in Conference singles, Captain-elect Ed Weber, Hart Dake, Don Gillies, and Andy Deeds. In the

Conference Tournament held at Oberlin the local netters captured a third place. The results of the season are:

LACROSSE CLUB

In its fourth year of existence the Denison Lacrosse Club made great strides forward and showed much potential for the future. Under the part-time tutelage of Reverend Richard Lambert the team benefited for the first time from the direction of a competent coach.

Five games were played and although the team lost all its encounters, the scores are indicative of the improvement over the previous seasons. In the opener the Club was downed by Kenyon 13-3 as most of the players gained their first lacrosse game experience.

Traveling to Ohio State for the second game the defense improved, allowing only seven goals but the offense failed to top the previous total of three. Oberlin visited Granville and met stiff opposition for the first half, before going on to win 9-5. A repeat match with Kenyon saw the stickers again on the short end of a 14-4 score.

In the season's finale played on Deeds Field Denison led for three quarters, but finally succumbed on a screen shot late in the final canto, 6-5.

This was the last active season for the Club's founders, Dick Bonesteel and John McCarter who have been team captains since its inception. These two paced the locals scoring with the former notching six goals and two assists and the latter scoring four times with three assists. The third senior on the team, Henry Seasholes scored five times in the two games in which he participated.

However, with such men as Bud Miller, Jim Kolb-Fleisch, Chuck Hess, and Jim Ferguson returning along with fifteen other experienced players the prospects look bright for the future.

The Intramural season got off to a fast start as the Sig tennis team put together nine straight wins to take that trophy. The Kappa Sigs placed second with the ACCs third. In speedball the Phi Gams were able to turn the same trick to regain their title for the second straight year in a row with a record of 7 wins and no losses. The Phi Delts and the Betas placed second and third respectively.

The last game of the season was the deciding factor in the football race as the Kappa Sigs defeated the Sigs to push the Betas into the first place position, on 7 wins

and one defeat. Next came the Sigs and the Phi Delts. The two basketball races were very hard fought contests, but the Phi Delts found the formula in the senior league while the Kappa Sigs turned the trick in the "B" league. The second places were exactly reversed with the Kappa Sigs second to the Phi Delts in the "A" league and the Phi Delts in a similar position in the "B" league. The ACC duo was able to walk away with the table tennis

championship easily and also placed second behind the Kappa Sigs in the handball competition. The Phi Delts placed second in Ping Pang.

The return of wrestling as an intramural sport found the Betas swamping all competition in winning five firsts and two seconds in seven weight classes. The Sigma Chis continued as masters of the pool to take the swimming crown away from the Betas.

In the Spring the Sig Alph volleyball team was able to turn back all comers for a neat 9 and 0 record. The

Kappa Sigs placed second. The baseball season closed with the Kappa Sigs on top and the Sigs and the Betas in the runner-up spots. On the golf course the Sigs bounced back to the fairway title from the Betas by a convincing sixteen points. The Phi Gams placed third. The last contest of the year saw the Betas narrowly win the track title for the fourth consecutive year. The Kappa Sigs however earned enough points to retain the intramural trophy. In second place in the final standings were the Sigs followed closely by the Betas and the Phi Delts.

The Women's Athletic Association continued to organize and administer a program of intramural athletics and sports based upon inter-class and inter-dormitory competition for the women students. Its two subsidiary organizations, Outing Club and Orchesis, contributed to the program through informal outing activities and all forms of modern dance.

The sports offered are: archery, badminton, basketball, bowling, dance, golf, hockey, riding, softball, swimming, tennis, and volleyball. Informal get-togethers for recognition of participation and skill followed the fall and winter seasons, and at the annual spring banquet, many awards were made on both individual and team basis.

WOMEN'S ATHLETIC ASSOCIATION

Highlights of the year included the WAA Frosh picnic, the annual Homecoming hockey game, a swimming marathon, the annual Orchesis dance show, and Big Red Squaw Night won by the sophomore basketball player this year. The WAA played hostess to many other schools in competition this year, including: Miami, Capital, Otterbein, Muskingum, and Ohio Wesleyan.

Not as bright as Times Square, but Broadway is the busiest spot in Granville.
